ABOUT GEMS

The **Government Employees Medical Scheme (GEMS)** is a restricted medical scheme providing accessible, **affordable and rich benefits to qualifying Public Service employees** and their nominated beneficiaries. GEMS currently provides quality healthcare to over 855 000 principal members and over 2,3 million beneficiaries.

On **Tanzanite One**, you receive **Coordinated Care** for improved healthcare outcomes!

- You are required to nominate a Network GP who will coordinate all your healthcare needs! This means that you will experience far less out-of-pocket payments when visiting YOUR Network GP. You and each of your dependants are required to nominate a GP.
- All members on **TANZANITE ONE** have access to a network of private hospitals! GEMS has negotiated with a number of private hospitals to set agreed rates and thus offer ALL members on **TANZANITE ONE** quality healthcare.
- Using GEMS Network providers and Private Network Hospitals means you will reduce your risk of out-of-pocket payments, allowing you to really do more for your family.

Members on **Tanzanite One** receive the following:

- Comprehensive In-Hospital benefits for healthcare services rendered by facilities on the GEMS Network to a specified limit per family per annum;
- Comprehensive Out-of-Hospital benefits for healthcare services typically rendered by providers on the GEMS Network, subject to Network GP Nomination and Specialist Referral Rules;
- Access to Tanzanite One GEMS Network providers and medicine on the applicable GEMS Formulary list, which is accessible on the GEMS website;
- Three additional non-PMB chronic conditions; and
- Access to Public Facilities.
