- Beneficiary code: The dependant code associated with the beneficiary.
- Treatment Date: The date the service provider treated the patient.
- Tariff Code: This is the code that identifies which treatment you received from the provider.
- **Amount Charged:** This is the amount charged for the treatment/ services received.
- Amount payable to Provider: This is the amount payable by the Scheme on behalf of the member to the provider of the medical treatment/service.

- Amount payable from Savings: This amount is deducted from the member's Personal Medical Savings Account (PMSA) account. Applicable to Ruby members only.
- Amount Owed to Scheme: In the event of a claim reversal, this is the debt amount the member owes GEMS.
- **Amount refundable to member:** This is the amount payable to the member by GEMS.
- Amount member must pay Provider: This is the short paid amount the member owes the service provider once GEMS has paid its portion of the claim.
- Reason code: This column will contain a code, which explains why a claim was not paid or only partly paid. The reasons may include: dependant not registered, benefits exhausted, etc. Please refer to the Summary of codes (Point 42) for further detail about codes.
