- I declare that I have received individual counselling and education on HIV/AIDS in a language that I understand and that I am able to make an informed decision on joining the GEMS HIV/AIDS Disease Management Programme (DMP).
- I understand the benefits and conditions of the GEMS HIV/AIDS DMP.
- I understand the purpose for doing pathology tests and that these tests are required as part of the GEMS HIV/AIDS DMP for monitoring and managing my condition optimally.
- I understand that I will be contacted regularly by a case manager or any other healthcare worker involved in my care.
- I understand that, even though I am on the GEMS HIV/AIDS DMP, my doctor retains a responsibility for my care, irrespective of the benefits authorised.
- I understand that all personal and clinical information supplied to the GEMS HIV/AIDS DMP will be used to access and manage my HIV/AIDS benefits.
- I hereby give my consent to the GEMS HIV/AIDS DMP to obtain my medical information from my healthcare providers (medical doctor, pharmacy, pathology and radiology).
- I authorise the GEMS HIV/AIDS DMP to disclose the clinical information relevant to my HIV condition without disclosure of my identity for the purpose of epidemiological/financial or scientific analysis and reporting.
- I confirm that the information provided in this application is true and correct and that I voluntarily subscribe to the GEMS HIV/AIDS DMP.
- I understand that the GEMS HIV/AIDS DMP shall use its best endeavours to uphold the confidentiality of all information related to my HIV condition.
- I understand that calls will be recorded for internal clinical quality assurance purposes and will not be shared outside of the HIV department.
- I acknowledge that my personal details above are treated as confidential and I accept that the GEMS HIV/AIDS DMP may use these contact details to communicate with me.
